HACKATHON!

SEK LES ALPES 2021
3 ESO

THE QUESTION:

What does today's university need to be better? What three things should it keep? What three things should it add? What three things should it eliminate?

Our Hackathon teachers have attended university in the U.S., Spain, Ireland, China, and the United Kingdom!

OUR TEACHERS SHARING THEIR UNIVERSITY EXPERIENCE

BRAINSTORMING

-Who can we ask about their university experience?

-How do we imagine university for ourselves?

-What aspects of university are we looking forward to? Or not looking forward to?

GLOBALLY MINDED LEARNERS

-Comparing university experiences in different countries

Advantages to U.S. college system as compared to European universities?

How is college/university entrance standardized globally? If at all?

# OUR IDEAL UNIVERSITY

Job Contracts after University

Scholarships!

University Residences (subsidized housing)

Transportation! (Golf carts!)

Hybrid and Flexible Classrooms

Green Spaces around campus

More Internships

Smaller Classe Size

Diversity Inclusion and Awareness

Universal Educational System

More services included in tuition

THINGS TO KEEP

Diverse Student Body

Mascots

Freedom of Dress

Erasmus and Exchange Programs

Nurturing of Independence

Variety of Scholarships

Variety of sports and sports programs
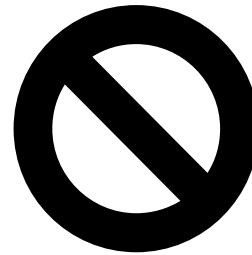

Clubs and Societies

Freedom of Schedule

Cheerleaders !!

THINGS TO TAKE AWAY

Exams

"Old School" learning models

Expensive tuition fees

Paper ! We would like a paper free university !

Late afternoon or evening classes

Entrance/acceptance based solely on academic performace

Strict Professors

Expensive rent with poor quality
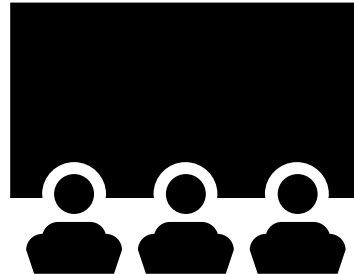

Difficulty of Entrance

Large class size

THINGS TO ADD

Host Family System

Better student
transportation

More Green Spaces Around
Campus

Improved student housing

Cheerleaders !

Diversity Inclusion and
Awareness (ie: food options
on campus)

Technology

More spacious classrooms

CONCLUSION

| ADD | - Hybrid and Flexible Classrooms | -Job Contract After University | - Green Spaces |
| KEEP | - Scholarships | -Nurturing of freedom and independence | - Internships |

CONCLUSION

TAKE AWAY

- Expensive Tuition Fees

- Archaic Learning Methods

- Entrance Based Solely on Academic Performance

UNIVERSITY HERE WE COME

We hope to have effectively shared our opinion on university and inspired change.
