

# GLOBAL EDUCATION FORUM **3<sup>rd</sup> Act**

**HACKATHON REIMAGINING THE  
FUTURE OF HIGHER EDUCATION**

*Camilo José Cela University*

## ABOUT US

### THE FUTURE OF HIGHER EDUCATION BY “NAME OF THE UNIVERSITY”

*The Camilo José Cela University is one of the youngest and most modern universities in the country and the one that has experienced the most growth in the proportional number of students in the last decade, according to the National Institute of Statistics. It is ranked 7th in the top 10 of the best private universities in Spain.*

*The participants are fourth year students of the degree in physiotherapy. The debate has been carried out by two professors with a long history at the university. Dra. Edurne Ubeda and Dra. Gracia Gallego. Which he has learned about the real needs of students and the way students view higher education.*

# 2

**DEVELOP  
potential  
solutions**

**&**

**DELIVER  
solutions  
that work**

## *The main impact solutions*

- Provide support applications to topics and subjects to consolidate the knowledge taught in classrooms
- Introduce more practical methodologies that facilitate critical thinking for students
- Increase the number of scholarships according to previous academic record

1

2

3

# 3

## CHALLENGE RESOLUTION

The application of new technologies to improve the quality of education and collaboration between the university and professional centers so that the beginning of professional life is a continuation of higher education.

1

2

3

# 3

## What 3 things should it keep?

- Qualified teaching staff
- Personal attention to each student
- Schedules compatible with professional life

## What 3 things should it add?

- More campus life with greater cultural integration
- Latest trends and technologies used in professional life
- More hands-on activities

## What 3 things should it eliminate?"

- On workload and activities that do not fit with the training of a good professional tomorrow.
- High economic rates that make college unaffordable for talented students
- Arduous administrative procedures to access

## FINAL CONCLUSIONS

THE FUTURE OF HIGHER  
EDUCATION BY Camilo José Cela  
University

Active teachings that allow the student to reflect on knowledge

Digitization is the future of the university, adding diversity and accessibility

**YOU HAVE OFFICIALLY BECOME THE  
GLOBAL DESIGNERS OF THE DIGITAL  
EDUCATIONAL MODEL OF THE FUTURE.  
CONGRATULATIONS!**
